

1280

## 1280 Enterprise™ Series Programmable Weighing Terminal

The 1280 Enterprise™ Series programmable indicator is an innovative powerhouse, delivering uncompromising speed for today's operations and expansive options for tomorrow's requirements. More than 150 built-in functions simplify programming, and customised applications are accomplished with Rice Lake's iRite® software. A leap forward in technology, the 1280 empowers your operations with limitless programmability. A highly customizable graphical user interface, the ability to power up to eight scales, and a lightning-fast Freescale i.MX6 processor take multitasking to the next level.

**The best solution  
for advanced industrial  
applications**
