

882D

882D Belt Scale Integrator

Specifically designed with belt scales in mind, the 882D delivers the required data in a compact package. Featuring iRite™ programmability, it can be customized to control product dosing or manage metering. The 882D's backlit display makes viewing rate, speed and time convenient in virtually any lighting condition. The 882D is also protected from the elements in an IP66 stainless steel enclosure, making it ideal for use in harsh environments.

Working in cooperation with:
