

## ASGMP

### "ASGMP" RETAIL SCALES

Retail scales with double precision interval, column and built-in thermal printer, for commercial use. Thanks to the long-lasting internal battery and to the 3 operators management, this scale is particularly indicated for selling in outdoor markets, due to the possibility of serving more customers simultaneously. The program also offers the imports totalisation function and a PLU memory with keyboard shortcut.

**The best solution  
for advanced industrial  
applications**

## RETAIL SCALES TECHNICAL FEATURES

- These retail scales are fitted with 3 backlit LCD displays on column on the operator side, and 3 LCD displays on column on the customer side, with 20mm-high digits, for simultaneous indication of weight, price and amount.
- Mechanical waterproof alphanumeric and functional keypad, with 50 keys and acoustic feedback.
- Stainless steel plate, 240 x 370 mm size.
- Level and adjustable feet.
- Built-in rechargeable battery (about 70h life) and 230 Vac power adapter.
- Fitted with built-in thermal printer: 70mm/sec print speed, 8 dot/mm resolution, 384 dots per line, 58mm paper width, 50mm diameter roll.
- Packaging: dimensions 410 x 375 x 180mm - weight 10kg.
- Upon request:
  - ACCREDIA calibration with issuing of relative certificate;
  - Dual interval CE-M approval (with Periodical Verification included, 3 year validity).
